2. A competitive examination for admission to the Service shall be held in India at such times and places as may be prescribed in the Notice issued by the Commission. Every such Notice will, when possible announce the number of vacancies to be filled on the result of the examination.

3. If the examination held under this part of these Rules is a combined examination for the purpose of making appointments to more than one Service the following provisions shall apply:—

- (a) Any person may apply to be admitted as a candidate for appointment in all or any of these Services for which he is eligible. If he wishes to compete for appointment in more than one Service, he shall state in his application form which Services he wishes to compete for and the order of his preference for them, and in such case only one application form will be necessary and one payment of the fees referred to in rule 14 (and Appendix III) will be sufficient.

- (b) Government shall assign successful candidates to each Service or Department on a consideration of all circumstances including any personal preference expressed by the candidate.

4. The maximum number of candidates to be admitted to any examination may at the discretion of the Commission be limited to such number, not being less than 200, as the Commission may decide.
